Matter of TOUCH OF FAME GROUP (Foreign Reference Number: T D J 2921 S  
M 100/2020; U.S. Reference Number: CRM-182-73385)

Dear Judge Albaloushi:

On December 29, 2020, Office of International Affairs (OIA), received the above-referenced supplemental request for legal assistance. In the request, Emirati authorities asked U.S. authorities for permission to use previously-provided information about a U.S. investigation, as evidence in an ongoing Emirati investigation. The U.S. authorities responsible for the relevant U.S. investigation authorize the Emirati authorities to use the enclosed copies for Emirati criminal investigative and prosecutorial purposes. The enclosed copies are identical to those previously reviewed by Emirati authorities, but for redactions of personal information and mutual legal assistance procedures. Please forward these documents to the appropriate Emirati authorities for analysis.

We greatly appreciate the assistance that the United Arab Emirates has granted the United States in criminal justice matters over the years and look forward to continuing this cooperative relationship. Please do not hesitate to contact me at Rachel.Hertz@usdoj.gov or 202-616-2871 or contact International Affairs Specialist Christian Gines at Christian.Tyler.Gines@usdoj.gov or 202-514-0175 if you have any questions.

Sincerely,

Vaughn A. Ary  
Director

Mark Chasteen, I acknowledged the receipt of the order of dismissal among others attached in your previous email. This is to notify you that I am still in the custody of the UAE and should I not be released before Christmas am left with no other option.

You can do the needful to the OIA, (OFFICE OF INTERNATIONAL AFFAIRS, USDOJ RACHELHERTZ AND CHRISTIAN TYLER GINES) and MAJDI HADDAD of the US embassy in Abu Dahbi to urgently have the signed order of the court authenticated and translated into Arabic for UAE authority to act upon and speedily have me released from detention without further delay before Christmas.
